

**Company history:**

Founded by Dr. Ludovic DUSSAULX and his partners, ACTOLYS brings over 30 years of pharmaceutical expertise.

Today, ACTOLYS is driven by a dedicated and highly qualified team focused on delivering premium European pharmaceutical products.

Our mission is to make trusted, safe, efficient and affordable medicines and healthcare products available to patients across the globe.

**List of products**

For the development of its range of food supplements, ACTOLYS has chosen to develop a range that meets the main needs of patients, particularly children and pregnant women.
